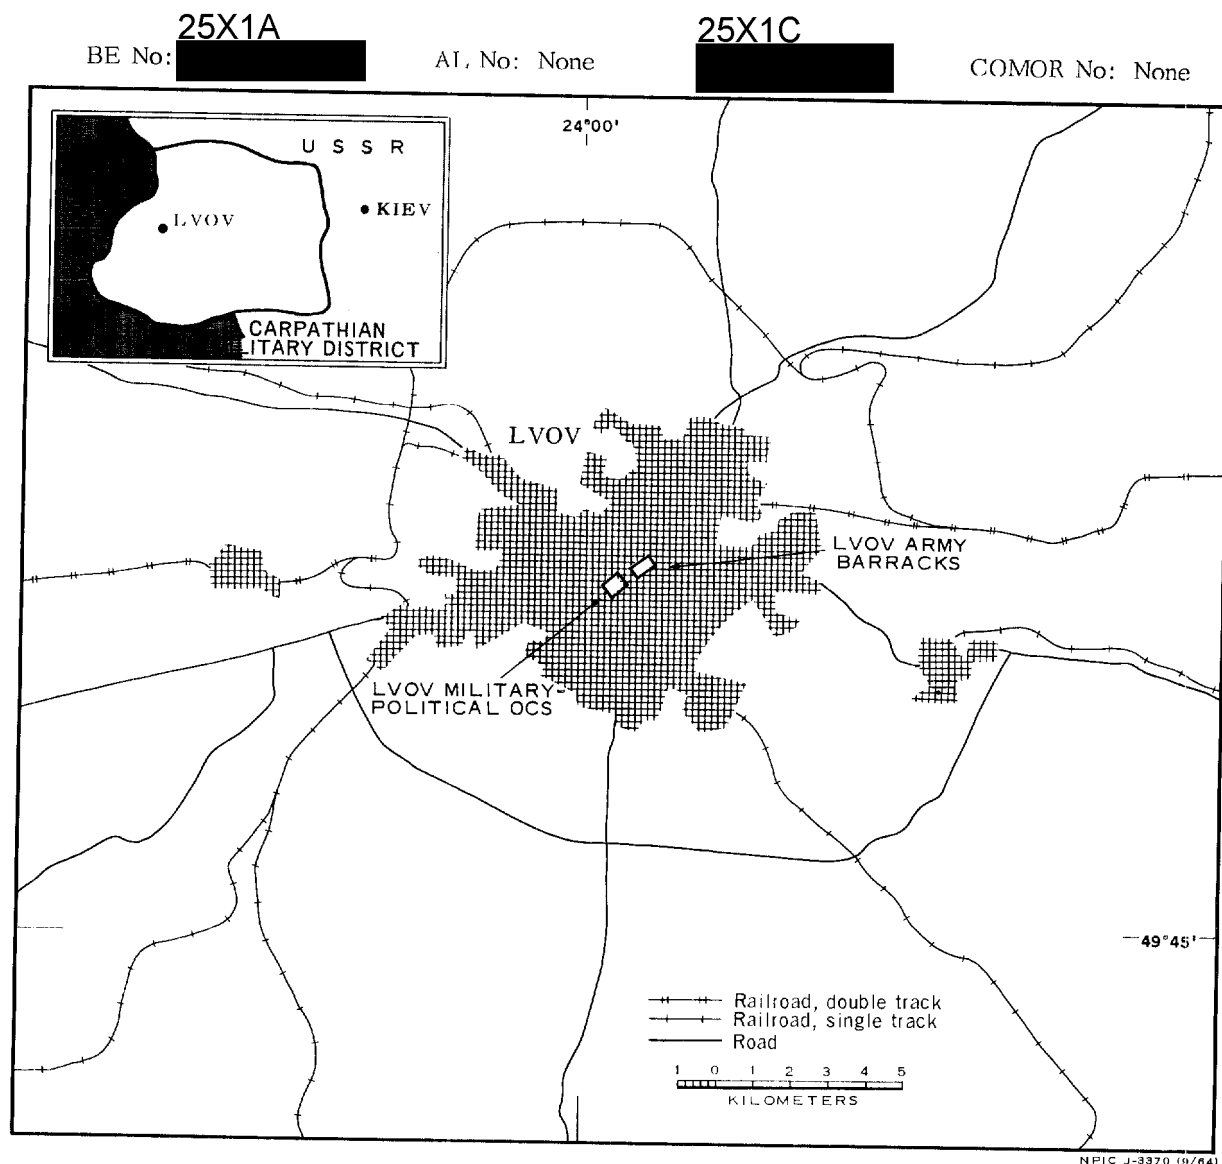

FIGURE 1. LOCATION OF LVOV ARMY BARRACKS AND MILITARY-POLITICAL OCS.

SUMMARY

Two military installations are located in the center of Lvov (Figure 1). The Army Barracks, which covers 41 acres, is an old Prussian fort with high stone walls. It is located on a hill and contains 20 buildings: one long multistory administration building/barracks, two multistory barracks, two administration buildings, four storage buildings, eight support buildings, two motor vehicle storage buildings, and a vehicle maintenance building.

The Military-Political Officer Candidate School covers 77 acres and contains 57 buildings: 15 large, multistory, irregularly shaped buildings probably used as barracks and class-

rooms; 18 other multistory buildings; two motor vehicle storage buildings; two motor vehicle maintenance buildings; and 20 smaller support buildings. There are three athletic fields within the installation.

Both installations have good interior all-weather roads. There are no rail facilities or spurs within either installation. Ammunition for the installations is probably stored in Lvov Ammunition Depot North which is 7 kilometers (km) north. The Lvov Airfield is located 5 km west. The nearest training area is located 15 km northwest.
